

UHU[®] MONSTERS

THE LITTLE THEATRE

Necessary equipment :

- UHU stic
- Cutter
- Pencil
- Adhesive tape Rollafix
- Wooden sticks
- Fabric
- UHU Arts & Crafts Glue
- Pair of scissors
- Colored paper
- Shoebox
- Brush & Paint
- Monsters sheet printed below

DURATION : 2H30

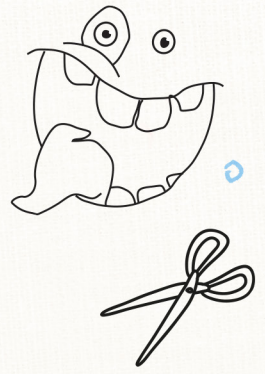

DIFFICULTY : ★★☆☆

SKILLS : FINESSE, CUTTING, GLUING, PRECISION

UHU[®] MONSTERS

THE LITTLE THEATRE

- 1.** Take a cardboard box (such as a shoe box) and trace the front of the circus tent on the lid.

- 2.** Using pencil, draw an outline and patterns on the top of the circus tent. Paint it (yellow and white).

- 3.** Take the bottom of the box and paint it (yellow).

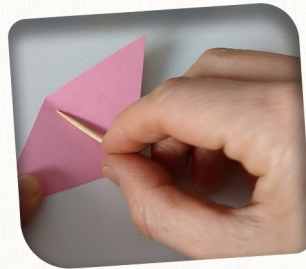

- 4.** Create decorative elements on the bottom of the box (vegetation painted green).

- 5.** With the cutter, remove the center of the cardboard to form a frame. Glue the circus tent to the edges of the box.

- 6.** Stand the box "upright" lengthwise and draw a rectangle on the top of the box. With the cutter, remove the rectangle so as to obtain a slit.

- 7.** Take a wooden stick and cut 7cm (otherwise use a toothpick). Take the colored paper, form a triangle. Cut it out and stick it on the small stick to form a flag. Glue the flag to the top of the circus tent.

- 8.** Cut the fabric into two equal parts. Fold the fabric (5 mm) and glue the strip of fabric, making sure to obtain a sort of "tunnel".

- 9.** Take the wooden stick (skewer-type pick) and slide it through the "tunnel" formed.

- 10.** Glue both ends of the stick to the inside of the box.

- 11.** Cut out the Loustics characters. Glue a character to the bottom of a wooden stick to form puppets. Do the same for all the characters.

- 12.** Once the puppets are ready, insert the sticks into the top slot of the box. Time to play!
