PLAY THE DRUMS TOGETHER WITH ROLLA

1. Print and cut out all parts carefully.

2. Mark the centre of the chip packet using the ruler.

3. Cut along the markings to divide the round potato chips packet into two equal parts.

4. Cut each of the two halves at the bottom edge at a distance of approx. 1 cm, approx. 1-2 cm deep and fold the flaps outwards.

5. Glue the drum 1 & 2 parts flush around the top of the two round parts.

6. Insert both parts through the openings in the base.

7. Glue the lower part of the base to the upper part from below with UHU All Purpose.

8. Glue Rolla Body 1 and 2 together.

9. For better stability, glue the entire Rolla body onto stronger paper/cardboard and cut it out generously.

10. Glue the middle part of the support to Rolla from behind and fold the two outer parts upwards.

11. Glue Rolla to the straight edge of the base with the two tentacles on the right and left.

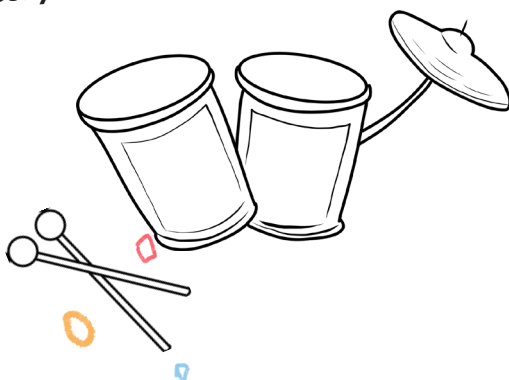

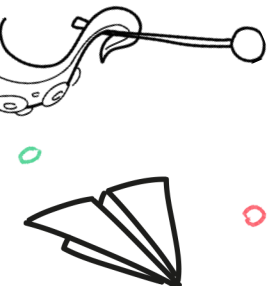

12. Glue the round end of each single tentacle 1 & 2 onto the bottom of the Rolla figure.

13. Wrap one tentacle around each drum and glue it in place.

14. For the drumsticks, insert the wooden skewer with the tip into the eraser.
